

Personalized support for Pfizer Oncology products. All in one place.

At Pfizer Oncology Together, we're committed to helping patients get their prescribed Pfizer Oncology medication. Our support services go beyond financial assistance and treatment information, focusing on individual patient needs. Whether it's connecting patients with local support groups or an independent organization that can help them get to treatment-related appointments—we're here to help.*

For live, personalized support, call **1-877-744-5675**, Monday–Friday, from 8 AM to 8 PM ET. Visit PfizerOncologyTogether.com to learn more.

*Some services are provided through third-party organizations that operate independently and are not controlled by Pfizer. Availability of services and eligibility requirements are determined solely by these organizations.

Together, we can do more for patients

At [Pfizer Oncology Together](#), we're committed to helping patients get their prescribed Pfizer Oncology medication. We offer patient support services that go beyond financial assistance and treatment information, focusing on individual patient needs. Our Care Champions, who have social work experience, will assess patients' needs and connect them to the right resources.

Patients can call **1-877-744-5675** (Monday–Friday 8 AM–8 PM ET) to speak with a Care Champion who can help with access and reimbursements, financial assistance options, and other personalized support services.

Tailored Patient Support

Personalized resources for patients, including[§]:

- Connections to local, community, and patient outreach programs
- Treatment education, nutrition, and lifestyle tips
- Connections to an independent organization that helps with lodging or transportation for treatment-related appointments
- Outreach to see how we can help—at times that are most convenient for them
- Guidance for leaving or returning to work after being diagnosed

To learn more, call **1-877-744-5675** (Monday–Friday 8 AM–8 PM ET) or visit [PfizerOncologyTogether.com](#).

[†]These foundations exist independently of Pfizer and have their own eligibility criteria and application processes. Availability of support from the foundations is determined solely by the foundations.

[‡]If independent charitable foundation support is not available, Pfizer Oncology Together will provide eligible patients with medication for free through the Pfizer Patient Assistance Program. The Pfizer Patient Assistance Program is a joint program of Pfizer Inc. and the Pfizer Patient Assistance Foundation™. The Pfizer Patient Assistance Foundation is a separate legal entity from Pfizer Inc. with distinct legal restrictions.

[§]Some services are provided through third-party organizations that operate independently and are not controlled by Pfizer. Availability of services and eligibility requirements are determined solely by these organizations.
